Waste Separation Procedures & Schedules available at the City of Preston/Preston Public Utilities.

You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.

ATTENTION: If you live on Overlook Drive or Overlook Lane, garbage pickup for both Recycling and Landfill will be on Thursdays.

R = Recycling

L = Landfill

O - Overlook Drive/Overlook Lane

LP - Leaf Pickup
